

Milan, February 16, 2022

Moby S.p.A. (the “Company”) announces that, on February 15, 2022, the Court of Milan has granted to the Company and to its subsidiary, CIN S.p.A., a deferral of the meeting of creditors, as result of a filing to the Court, last January 19, of the new continuity Plan.

The new meeting dates have been set for 20th and 27th June 2022, respectively for Moby and CIN, setting the date for 31 March 2022 as a deadline for filing, *inter alia*, the agreement with *Tirrenia di Navigazione SpA in Amministrazione Straordinaria*, which represents the main CIN creditor, missing from the consent to the restructuring plan, which has seen the two Companies overcome the difficulties of the pandemic repositioning itself as a leader in the reference markets.
