È stata costituita per emettere azioni, tenendo traccia del rischio economico associato all'Opera d'arte e di qualsiasi altro rischio correlato ai sensi dell'articolo 53 della legge lussemburghese del 22 marzo 2004 sulla cartolarizzazione, e successive modifiche, grazie al finanziamento, tra l'altro, dovuto all'emissione di Azioni di Classe B.

Art Share 002 è stata istituita per facilitare l'investimento frazionario nell'Opera d'arte attraverso l'emissione di Azioni di Classe B (vale a dire, l'esecuzione di un'operazione di cartolarizzazione dell'Opera d'arte).

L'attività principale di Art Share 002 consiste nel detenere e cartolarizzare l'Opera d'arte, nonché nell'assumere i rischi, esistenti o futuri, relativi alla detenzione dell'Opera d'arte. Le sue principali attività sono state finora limitate agli aspetti organizzativi, tra cui la stipula di alcuni accordi (i) per l'acquisizione dell'Opera d'arte e (ii) quelli necessari per la preparazione e l'esecuzione dell'Offerta, la sua ammissione e la quotazione in ARTEX Stock Exchange.

Art Share 002 è gestita da un consiglio di amministrazione composto da Ursula Schmidt, Edouard de Burlet e Ronan Le Bouc.

Art Share 002 non prevede di generare ricavi o flussi di cassa dal prestito gratuito dell'Opera d'arte a istituzioni culturali come i musei. Non condurrà alcuna attività commerciale, ad eccezione di quelle relative alla proprietà, alla manutenzione e alla promozione dell'Opera d'arte e, in quanto tali, tali attività saranno limitate all'amministrazione passiva della proprietà dell'Opera d'arte.

La strategia sarà quella di esporre e promuovere l'Opera d'arte in modo da migliorarne l'apprezzamento da parte del pubblico.

Information to distributors in the EEA

Solely for the purposes of the product governance requirements contained within: (i) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (ii) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (iii) local implementing measures (together the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, delict, contract or otherwise, which the Company, in its capacity as "manufacturer" for the purposes of the MiFID II Product Governance Requirements may otherwise have with respect thereto, the Offered Shares have been subject to a product approval process, which has determined that such Offered Shares are: (a) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (b) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**"). Notwithstanding the Target Market Assessment, "distributors" (for purposes of the MiFID II Product Governance Requirements) should note that the price of the Offered Shares may decline and investors could lose all or part of their investment; the Offered Shares offer no

guaranteed income and no capital protection, and an investment in the Offered Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offering, including the selling restrictions described in "Notice to Investors (Selling Restrictions)". Furthermore, it is noted that, notwithstanding the Target Market Assessment, the financial intermediaries acting as placement agents (the "**Placement Agents**") will only procure investors who meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the Target Market Assessment does not constitute: (i) an assessment of suitability or appropriateness for the purposes of MiFID II; or (ii) a recommendation to any investor or group of investors to invest in, purchase, subscribe for, or take any other action whatsoever with respect to the Offered Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Offered Shares and determining appropriate distribution channels.
